## TRUTH

As its advertisement—so the car. An honest announcement goes with an honest car.

Truth is the eternal test.

You will never read a Chevrolet statement making any extravagant claim.

True, we have claimed certain qualities for our car—superior motor-power, easy riding comfort, low cost of upkeep—but we have always been prepared to support our statement with the proof.

We claim that the Chevrolet model—now as always—stands for the highest motor value in its price class.

Test our statement—see the Chevrolet car, ride in it. You will find—as thousands of others have—that we have spoken the truth.
